MISSION

EVERYTHING BESPOKE was founded on a modern concept in menswear: to provide custom clothing made from the highest quality fabrics, at a price point that delivers the best value in today's marketplace.

Our mission is to make the custom process convenient, enjoyable and completely transparent. More than a brand name, **EVERYTHING BESPOKE** is our philosophy. You are unique, and your clothes should reflect that. The self-assurance gained from feeling good in what you wear – and feeling like yourself – is priceless.

We're dedicated to helping you create that feeling with every garment by giving you access to top tier professionals with an unparalleled knowledge of clothing, styles and fabrics. We guide you through every decision and assist you in making informed choices to ensure you achieve your ideal fit and personalized look.

At **EVERYTHING BESPOKE**, we believe in helping you create your brand of style, from cut to cost. In a world of specialization, your clothes should be no exception. Join us in embracing the custom clothing revolution. We look forward to collaborating with you to create your **EVERYTHING BESPOKE**

THE EVERYTHING BESPOKE DIFFERENCE

INTELLIGENT PRICE POINT

We've simplified the equation. By cutting out the middleman in the manufacturing process, we give you, the consumer, an opportunity to personalize your look without the customary inflated price tag. Suits start at just Rs. 35,000 and shirts start at Rs.10,000

EXCEPTIONAL QUALITY

We use the highest quality fabrics and offer access to some of the world's top fabric mills – Zegna, Ariston, Loro Piana and Thomas Mason, to name a few. The fabrics used to cut our garments are of superior quality to the ones you'll find on the racks of designer boutiques or department stores. Our superior construction results in durable, long lasting clothing.

PROFESSIONAL STYLE CONSULTATIONS

We're dedicated to delivering the priceless feeling of the ideal fit with every garment we create. **EVERYTHING BESPOKE** gives you access to top tier clothing professionals with an extensive knowledge of fabrics, styles, trends and fit to guide you through every decision as you personalize your look.

CONVENIENCE

EVERYTHING BESPOKE provides exceptional convenience with our style concierge service, designed to save our clients time and money. We'll come to your home or office and offer appointments from early morning to late at night to best accommodate your schedule. We're completely committed to making the custom process as seamless and simple as possible and removing any stress or hassle from your shopping experience.
